Welcome to Consumer Jungle!

We've got information for you on everything you need to know to survive in the real world. Our content is packed with tips, advice and direction on how to navigate the "consumer jungle".

You're going to come across scam artists and shady people in your life, and we want you to know how to spot the rip-offs and frauds. Our best advice is to always, "Look for the hook." That simply means to ask the tough questions, read the fine print, and think critically about the offer before you sign up. Is it really a good deal or is there a hook that is going to get you trapped into a bad deal?

Will You Financially Succeed? Or will you go Bankrupt?

What does your ideal life (education, job, spouse, house, kids, and entertainment) look like from a financial perspective? How will your earning and spending choices affect everything you want to do in your life? The LifeSimulation makes it really easy to understand where all of the money goes in life. All you have to do is answer a few questions, and the program will do the math for you.
