

CARS - Quizzes

Hey, is that your mugshot on driver's license?Â If you've made the move to certified driver, chances are you're going to want some wheels of your own.

But there are some sleazy characters in this part of the jungle, wheeler dealers ready to drive you into debt. Keep it on the road through this bit, though, and you'll come out knowing a lot more about buying cars than just how to look under the hood.
