

# CARS - Worksheets

Hey, is that your mugshot on a driver's license? If you now have a driver's license, chances are you're going to want some wheels of your own.

But there are some sleazy characters in this part of the jungle, "wheeler dealers" ready to drive you into debt. Follow our tips through this part of the jungle, and save yourself a big headache and lots of money. Be on the lookout for the crooks in this world that will cheat the unsuspecting first time buyer. And be cautious of cars advertised on Craigs List and similar "free" websites. If you don't know the person you are dealing with, dont trust him ....get some independent advice. Finally, if you finance the car on credit ...."Look for the Hook!". The interest rate you pay for the credit is far more important than the monthly payment.
